REPORT ON THE DISTRIBUTION OF RELIEF GOODS FOR FLOOD-AFFECTED VICTIMS
Barangay Fabrica, Sagay City
February 09, 2026

I.Introduction
In response to the flooding incident that affected several families in Barangay Fabrica, Sagay City, USAT College Sagay City, Inc., through its Social Action Services (SAS) and in coordination with local barangay officials, conducted a relief goods distribution on February 09, 2026. This initiative aimed to provide immediate assistance and support to the flood-affected residents and to extend the institution's commitment to community service and compassion.

II. Objectives of the Activity
The relief distribution activity was conducted with the following objectives:

1. To provide essential relief goods to families affected by the recent flooding.
2. To help alleviate the immediate needs of the victims, particularly in terms of food and basic necessities.
3. To strengthen the spirit of bayanihan and community partnership between the institution and the local community.

III. Beneficiaries
A total of **25 families** from Barangay Fabrica, Sagay City, who were identified as flood-affected victims, benefited from the relief distribution. The beneficiaries included households with children, elderly members, and vulnerable individuals.

IV. Relief Goods Distributed
Each beneficiary family received a relief pack containing the following items:

- Rice
- Canned goods (sardines, corned beef, etc.)
- Instant noodles
- Bottled water
- Other basic necessities (as available)

V. Implementation of the Activity
The distribution was conducted on February 09, 2026, at **Purok Mabuhay, Barangay Fabrica**. The activity was facilitated by USAT administrators, faculty members, staff, and student volunteers, in coordination with the Barangay Officials of Fabrica. Proper organization and orderly distribution were observed to ensure that all identified beneficiaries received their relief packs.
